How Mr. Ade Turned His 10 Vehicles into a Steady Income Stream with Urban

Meet Mr. Ade – A Former Fleet Owner Struggling with Inconsistent Earnings

Mr. Ade owned 10 vehicles, but he faced constant challenges:

- Unreliable drivers missing payments.
- Vehicles not being accounted for properly.
- High maintenance costs without a stable income.

“Urban changed my business completely – I now earn consistently without stress!”

Mr. Ade

Solution: Onboarding His Fleet on Urban

After joining Urban, here's what changed:

- **Real-Time Tracking:** Mr. Ade now knows where his vehicles are at all times.
- **No More Missed Payments:** With automated earnings per booking, payments are directly deposited into his account.
- **Higher Occupancy Rate:** His vehicles are now booked more frequently, generating ₦2.5M monthly.
- **Less Stress, More Profits:** He no longer worries about drivers defaulting on payments.

Frequently Asked Questions (FAQs)

Q1: How do I onboard my fleet on Urban?

A: It's easy! Sign up on the Urban Fleet Portal, upload your vehicle details, and connect your vehicles to Savannah for real-time tracking.

Q2: How do I get paid?

A: Payments are automated and deposited directly into your Urban Wallet, which you can withdraw anytime.

Q3: Can I set my own rates?

A: No! You cannot customize pricing based on demand, routes, and peak travel times.

Q4: What if I have more than 50 vehicles?

A: We offer custom fleet management solutions for large fleet owners. Contact our corporate team for exclusive bulk benefits.
